## Endow Women's Study Group at OLQM Setting the World Ablaze: St. Catherine of Siena beginning Tuesday, September 9, from 7-9pm

Endow is a Catholic educational program that brings women together to discover their God-given dignity and to understand their role in humanizing and transforming society. Endow helps women from all walks of life discover their God-given dignity and femininity through the richness and authenticity of Catholic teaching. When we as women grow in understanding the teachings of the Church and in the truth of Jesus Christ, our faith becomes more fully defined, and so does our transforming influence in the family, the community, and society as a whole.

Endow utilizes small study groups to cultivate faith, fellowship, and formation. The group meets weekly for 10 weeks. No homework is required.

To learn more about the study group *St. Catherine of Siena: Setting the World Ablaze* here at Our Lady Queen of Martyrs Parish, please call **Lisa Shea** at **614-517-8335**. Or register at **[www.EndowGroups.org](http://www.EndowGroups.org)**.

### ***Setting the World Ablaze: St. Catherine of Siena***

Women in this study group will be transported to the fourteenth century when Catherine made her entrance into a world beset by the plague and roiled in unrest within political and ecclesiastical circles. In her mere 33 years she left such a rich legacy that she is named a Doctor of the Church. She is best known for *The Dialogue*, a book of meditations and revelations in which she shares intimate conversations with God. Her life story is fascinating for women today as they discover in Catherine a kindred soul who was compassionate to the poor, present to the suffering, prayerful always and fearless when she had to be. She used her 'feminine genius' to address the problems God put before her and her words will ring as true today as when she first exhorted fellow Christians: "Be who you are called to be and you will set the world ablaze!"
