

# OLQM Home School Association Hosts Its Annual 'Spring Bash' Fundraiser

Saturday, April 25

by Martha Kuzma, HSA president

It was a crowd-pleasing night of fun as McLaughlin Hall was decked out in gold and black, art deco style, to celebrate the Roaring Twenties! A jazz quartet kicked off the night while HSA members, in flapper garb, greeted guests at the door with champagne flutes. The evening of food, fellowship and lots of raffle prizes was for a good cause: nearly \$20,000 was raised to support our school! Thanks to our guests, faculty members, parish community members, parish council members, and to the Home School Association members and hosts for making Spring Bash 2015 memorable and successful! OLQM School offers its thanks to these businesses in the community, school parents and members of the parish community for their sponsorship.
