OUR MISSION STATEMENT

Our Lady Queen of Martyrs Parish is a vibrant Catholic Faith Community in Forest Hills, New York. We are one parish family seeking to be the welcoming and warm presence of Jesus Christ to the diverse peoples of the area.

Our parish life is centered on celebrating the Holy Eucharist, proclaiming and teaching God's Word, faith formation through our school and religious education programs, and ministering to and serving the pastoral needs of the faithful.

In thanksgiving to God for all that has been, for all that we are and for all that we will be, we support vocations and lay leadership development, strengthening stewardship, and fulfilling the mission of the New Evangelization to bring Christ into the world.

For Your Marriage

The U.S. Conference of Catholic Bishops has launched a new website, **ForYourMarriage.org**, to help support marriage and family life. We share here an excerpt from the site on one of the “Obstacles to a Healthy Marriage”:

We have a mixed-up idea of married love. It’s normal to go into marriage with some expectation of romance and lovey-dovey stuff. After all, that’s how people wind up wanting to get married in the first place. They fall in love, they have a romantic relationship, and they are so crazy about each other that they can’t wait to start “together forever.” That’s awesome. That’s fun. That’s how God intends for couples to begin.

Every healthy marriage, no matter what stage it’s in, does have some measure of romantic love. Just as people have different personalities, though, different marriages do too, and most marriages don’t maintain that full-force “romantic” feeling forever. And we should not expect them to.

When people mix up married love with romantic love, they wrongly feel that their marriage is in decline when the romance begins to fade. There are fewer rose-petal baths and more insurance premiums. There are no more love songs and an awful lot of day-to-day drudgery.

Fading romance in a culture that tells couples they can quit when it gets hard, leave when they “fall out of love” or their spouse “doesn’t make them happy anymore,” is a recipe for discouragement and the kinds of negative, selfish thoughts that can lead to divorce.

—More commentary from www.foryourmarriage.org next week
