This Week's Reflection

From the OLQM Social Action Committee

USCCB on "Walking with Moms in Need"

O Blessed Mother, guide us as we strive to make our parish communities places of welcome and assistance for mothers in need.

REFLECT: While we often think of pregnancy as culminating in the birth of child, we know that the journey is only just beginning. While motherhood brings with it many joys and blessings, it also involves challenges and difficulties. In raising their children and dedicating themselves to their families, mothers participate in a type of "daily heroism," one for which they "do not always find support in the world around them" (EV 86).

Providing and caring for children as a single mother includes additional hardships. Sadly, today one in four children are being raised without a father. Certainly, there are many reasons this might occur in any given circumstance. However, it is also true that in a culture that largely rejects the Church's teachings on marriage, life, and sexuality, women and their children are often disproportionately impacted.

It was Pope Paul VI in *Humanae vitae* who warned that "a man who grows accustomed to the use of contraceptive methods may forget the reverence due to a woman . . . no longer considering her as his partner whom he should surround with care and affection" (HV 17). In the midst of this reality, the Church is called to be a beacon of light, hope, and support. May we respond to this call, individually and communally, to surround mothers with assistance and support as they lovingly care for their children.

ACT: Saints Anne and Joachim are the parents of the Blessed Virgin Mary. Ask their intercession for all expectant mothers and married couples.

LEARN: The website WalkingwithMomsinNeed.com has more information about supporting expectant and parenting women. Watch the [EWTN video](#) on the USCCB launch of the "Walking with Moms in Need: A Year of Service" program.

Major Church Repair 2020 - Parishioner Report #10

by Fr. Francis Passenant, Administrator

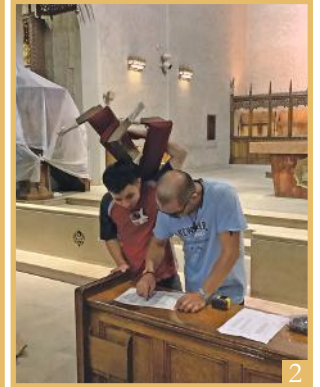

The church reopened last Saturday for the Feast of the Assumption. It was fitting that the first Mass celebrated after the mandated cancellation of public worship because of the pandemic—coupled with the planned renovation of our church interior over nine weeks—be celebrated on a holyday honoring our patroness, the Blessed Mother.

The final major restoration and repair projects are nearly complete, with attention now turned to the final details. Those details include the refinishing of the brass gates in front of the side altars as well as refurbishing the holy water fonts at the entrances. The new curtains on the Queens Blvd. confessionals as well as some other fine-tuning are in the works.

Our pictures today show the crew preparing to install the new kneelers, which are lighter and more comfortable than the ones replaced. The team took four days to finish their work on this major piece of the 2020 restoration program. The wall restoration project is also in its final stages; the new lighting shows the beauty of that project.

The pictured outside work—namely, the resumption of the cement project on 72nd Road and work on the pointing of the exterior steps of the church—continues. The weather is always a factor when dealing with outdoor projects.

When a major undertaking like this occurs it is always an opportunity to enhance some feature that was left unaddressed by previous repair programs. MORE ON THIS NEXT WEEK. . . .

PICTURED—(1) *Edwardo, Omar (Supervisor), and Antonio;* (2) *Omar and Antonio look at diagram of the church for kneeler placement;* (3) *the upper nave wall restoration continues;* (4) *the ramp step joints cleaned for water sealing and caulking;* (5) *the driveway into the schoolyard with new cement drying;* (6) *Pat Crowe and his team are watching cement dry;* (7) *Shakir and Hector taking a break from the church step sealing and caulking project.*

August 15 at 5 p.m. Mass RCIA Candidates Receive Their Sacraments (at Last)

The church building reopened for Sunday Masses last weekend, with new kneelers, lighting, repaired floors, and a special ceremony for four members of our parish RCIA class of 2020. They patiently waited through long months of pandemic lockdown and weeks of the church building being inaccessible during repairs to arrive at this pivotal moment. “Three RCIA candidates were baptized and one other made a profession and came into full communion,” said Deacon Greg Kandra. “The baptism ritual was different: we could not reuse water, so I held a bowl under each head while the bishop poured water from the font. Even the candles could only be touched by the sponsors and the candidates. For confirmation, oils were applied with individual swabs of cotton.” The ceremony, while delayed and different this year, was a hope-filled experience for welcoming these new men and women of faith to our parish community.

**WE ARE THE CHURCH,
TOGETHER**

DID YOU KNOW? OLQM came in third place in last year’s Annual Catholic Appeal out of 112 parishes. We missed second place by only \$100! Let’s come in first place this year!

Gifts made to the Annual Catholic Appeal bring support to tens of thousands of residents in Brooklyn and Queens through key programs, ministries, and services administered by the Diocese of Brooklyn, including Catholic Charities and Catholic Migration Services. These programs can only serve those in need if we all come together, working as one family of faith.

The current public health situation makes Annual Catholic Appeal funding even more important as people are in need of spiritual, physical, emotional, or economic support during this crisis.

We are halfway to our 2020 parish goal of \$100,000—for which we are very grateful, since this is a very difficult year. Please help us reach our total goal and make a contribution to the 2020 Annual Catholic Appeal. All gifts are payable through December 31. Visit our website for instructions on how to give online: ourladyqueenofmartyrs.org/annual-catholic-appeal
