

Census Sunday 2016 Results
By David Lee, Stewardship Committee

Our Lady Queen of Martyrs conducted a Census on October 15 and 16, in an effort to increase parish registration as well as update current parishioner information. *Parish registration is the best way to certify parish membership. Registering in OLQM is a declaration of one's desire to be a part of our Catholic community and to make a commitment to the life of our parish.*

590 parishioners completed a census form. Here are some of the tabulated results:

- Many of our survey participants (over 18%) were not officially registered with our parish.
- OLQM's cultural and lingual composition remains as diverse as ever (note that a participant could choose more than one race or language). *It is this diversity that enables OLQM to continue having several special ethnic celebrations every year.*
- Of the participants who indicated that OLQM is their parish, 25% started worshipping here within the last five years. 19% of OLQM's parishioners have lived in the neighborhood no more than five years. *So, as the parish changes, pastoral needs are changing as well.*
