This Week's Reflection

USCCB on Adoption and Foster Care

OLQM Social Action Committee

Over seven weeks in June and July, our reflections focus on Religious Freedom and Religious Persecution, in solidarity with Religious Freedom Week (June 22–29).

Pray that children waiting to be placed in a loving home and the caregivers who selflessly serve those children will find strength and support from the Church.

REFLECT: Caring for “the orphan” is a demand of the gospel. Over the centuries, the Church has put this work of charity into practice by building adoption and foster care institutions. Today, the opioid crisis has put a strain on the foster care system. Yet while more children are waiting to be placed in families, faith-based child welfare providers are being targeted for closures because of their religious convictions. In Illinois, Massachusetts, California, and D.C., service providers who have a track record of excellence in recruiting and assisting foster families have already been shut down. In Michigan, sexual orientation/gender identity (SOGI) activists have gone out of their way to challenge Catholic Charities, and Philadelphia Catholic Social Services is taking the struggle to continue to foster children to the Supreme Court. Worse still, in recent years, states that have worked to protect faith-based adoption and foster care have found themselves targeted by powerful corporations looking to appeal to SOGI activists. Intolerance for religious views has real consequences, and in this case, it is vulnerable children who have suffered. Let's pray and act to keep kids first.

ACT: The Child Welfare Provider Inclusion Act (CWPIA) prevents faith-based child welfare service providers from being targeted by government discrimination. It would prohibit the federal government and any state that receives certain federal funding from discriminating against child welfare service providers on the basis that they decline to provide a child welfare service that conflicts with their sincerely held religious beliefs or moral convictions. Contact your U.S. senators and representatives today and ask them to cosponsor and support the federal Child Welfare Provider Inclusion Act.

Major Church Repair 2020 – Parishioner Report #2

by Fr. Francis Passenant, Administrator

The Generations of Faith Program (GOF) launched in 2015 was a Diocesan Capital Campaign designed to fund parishes, youth, and senior priests. The funds raised were distributed to each of these areas. Each parish was asked to generate a case statement to specifically identify infrastructure projects that needed attention. Our [case statement](#) identified a new organ, refurbishing our beautiful side altars and main altar reredos, repairing our weathered stained glass windows, laying new cement on 72nd Road and the interior sidewalks on the church property, and refinishing the church floor. The final project has begun.

The planning for this final GOF item, the church floor, was begun over a year ago. The work scope was planned and the companies engaged to complete this massive project. It is being accomplished by first removing the pews to access the floor for stripping, cleaning, and polishing. It is necessary to strip the floor to reveal the original poured cement, to clean away the remnants of paint, and to polish the finish—for the first time since the original building of the church in 1938.

This opportunity to clear the floor of the pews also allows us to complete other projects much more difficult to accomplish with the pews in place. We plan to add additional lighting around the perimeter of the church nave, to complete the project funded by the Parish Capital Campaign of 2010, and to replace the kneelers that are wearing out and becoming too expensive to repair.

We are able to fund these projects with resources received from “over goal” achievements in the GOF campaign and the Annual Catholic Appeal (ACA). We have been over goal in the ACA each year since 2013, thanks to your participation and generosity in that effort.

There was also a need to address the exterior of the church building, which has been adversely affected by more than 80 years of pollution, weathering, and auto emissions from Queens Boulevard and Ascan Avenue. The surfaces of the exterior walls facing these streets are the most affected and the first to be addressed. This project is being supported by our various fundraisers over the years such as the “Fall Fling” and “Taste of the World.” There were pictures of the exterior cleaning in last week’s bulletin (June 21, 2020).

The timing of these projects was scheduled for mid-June 2020 to be completed by mid-August 2020. Plans were drawn up to use McLaughlin Hall for Mass while the work was being completed and the parish school was not in session. The project started as scheduled in spite of the upheaval caused by the Covid-19 pandemic. The first kneelers were removed from the church last Wednesday. The photo on the bulletin cover this week shows the moved pews to make way for the

floor cleaning and the start of the lighting plan.

We have been praying for the intercession of Msgr. Joseph McLaughlin, our first pastor and architect of the beautiful parish plant we enjoy today. We ask, like Elisha asked of Elijah, “for a double portion” of his spirit to guide us with wisdom, courage, and perseverance as we oversee these projects for the upkeep of our beautiful church to better serve those who enter here now and in the future. I will have another update next week.

God bless and keep us in your prayers during this exciting time in our parish history.

The Return of Public Mass

Dear Parishioners,

Our long wait is almost over. We are in phase 2 returning to **Daily Mass** at 8 a.m. and 12:05 p.m. on Monday, June 29th. We will gather for Mass in the convent chapel (use ramp entrance near the Mary statue).

Weekend Mass will begin on July 4th and 5th. We will keep the regular schedule—Saturday evening 5 p.m.; Sunday: 9 a.m., 11:15 a.m., and 1 p.m. Since the church building is undergoing major repairs (*see story on facing page*) we can accommodate **150 participants for each Mass in McLaughlin Hall**. Please note that McLaughlin Hall is not air-conditioned but fans will be placed around the hall.

The parish clergy as well as the other staff members are looking forward to seeing our parish family gathering together again. We really missed you. However, if you do not feel well or **have any of the symptoms affiliated with Covid-19, please stay home**. The Mass dispensation is still in effect.

For everyone's safety it will be necessary to follow the procedures outlined here. **There can be no exceptions; we must continue to protect everyone**. Centers for Disease Control (CDC) norms are expected, as are masks, social distancing, individual hand sanitizing, and gloves, etc.

Masks are required. All must have a face mask and wear it! **NO MASK NO ENTRY**. All must adhere to the "Planned Pattern" for entering McLaughlin Hall, Communion distribution, and exiting. Please cooperate as there can be no exceptions.

(1) Congregants planning to attend Mass **must line up at the McLaughlin Hall door in the schoolyard closest to the church 20 minutes before the start** of the service, maintaining social distancing. The first 125 attendees will fill the seats in the hall. There is space for 25 additional standees. Everyone is expected to sit where assigned. We need everyone's cooperation.

(2) All attending must enter through the designated door of the hall. **Everyone entering the worship space must be ushered to a seat**. Ushers will seat attendees according to a configuration set up in the worship space ahead of time.

(3) Because there are stairs to reach the worship space, we ask that those in wheelchairs and with canes go to the convent using the ramp. The services planned are not extended; there will be limited singing and short homilies.

(4) Communion distribution will be "in the hand" ONLY, ushered by staff members keeping the CDC six-foot social distancing guideline. **Please wait to be ushered from your row**.

(5) After the Final Blessing, the standees will leave first, followed by those seated. **All must exit the worship space being escorted out by staff** (no staying after Mass). Restrooms will not be available as per CDC guidelines.

We are confident that everyone will patiently cooperate with these directives, which in charity are for everyone's safety. These are small inconveniences to be able again to attend Mass and receive Jesus in the Eucharist.

We ask God through the intercession of Our Lady as the Queen of Martyrs to guide us in these endeavors.

In Christ,

Bishop Paul R. Sanchez, Pastor

Fr. Francis J. Passenant, Administrator

**WE ARE THE CHURCH,
TOGETHER**

DID YOU KNOW? OLQM came in third place in last year's Annual Catholic Appeal out of 112 parishes. We missed second place by only \$100! Let's make it our goal in 2020 to come in first.

Visit our website for instructions on
how to give online:
ourladyqueenofmartyrs.org/annual-catholic-appeal

ABOUT THE ANNUAL CATHOLIC APPEAL

The Annual Catholic Appeal (ACA) supports the important daily work of our Church in Brooklyn/Queens—work that no one parish can accomplish alone. ACA funds provide support Catholic Youth Ministry Initiative; Catholic Charities; Hospital, College and Prison Chaplains; Diocesan Vocations Office; Catholic Migration Services; Office of Faith Formation; Bishop Mugavero Residence for infirmed clergy; Futures in Education Scholarship Foundation.

The ACA is different from a one-time special collection. It is a **pledge campaign** where you can make a gift payable in installments until December 31. All donations made to the ACA above our parish goal are returned directly back to our parish for operations and improvements. Thank you very much for your consideration.
