

## A Once-in-a-Generation Opportunity for Catholic Schools and Families

We need Governor Hochul to opt-in to unlock millions in privately funded scholarships, strengthening Catholic schools and expanding access for New York families.

**Tell Governor Hochul you want access to private scholarships!**

### What Is the Federal Scholarship Tax Credit (FSTC)?

If you pay federal income tax, the FSTC lets you redirect up to \$1,700 of what you already must pay to help families afford Catholic education. **That's up to \$1,700 going to a scholarship granting organization like Futures in Education instead of the IRS - at no extra cost to you.**

### Who Would Benefit?

- Families earning up to **300% of the regional median income**, meaning **more than 90% of K-12 families** would qualify.
- Scholarships could be used for:
  - Catholic school tuition
  - Tutoring and academic supports
  - Special needs services
  - Education technology and supplies
- Public schools would also benefit

### Why This Matters for Catholic Schools

For Catholic schools, this program represents stability, affordability, and hope - helping keep classrooms filled, schools strong, and Catholic education within reach for working families. If New York opts in, millions of dollars in private scholarship support could be unlocked for families to attend NY schools, including Brooklyn and Queens Catholic Elementary and Catholic High Schools.

### Why Action Is Urgent

**This opportunity exists only if Governor Hochul opts New York into the program.**

Her decision will be made **soon**. If New Yorkers do not speak up now, these scholarships may never reach our students or schools.

If Catholics across Brooklyn and Queens and the rest of New York State raise their voices together, this opportunity cannot be ignored.
