# Message from His Holiness Pope Francis

## Reflections for World Day of the Poor

*As we contemplate the needs of the poor, we will be reprinting the words of Pope Francis in the coming weeks — taken from his message for the third World Day of the Poor (November 17).*

### THE HOPE OF THE POOR WILL NOT PERISH FOREVER (Ps 9:19)

“These words of the Psalm remain timely. They express a profound truth that faith impresses above all on the hearts of the poor, restoring lost hope in the face of injustice, sufferings and the uncertainties of life.

“The Psalmist describes the condition of the poor and the arrogance of those who oppress them (cf. 10, 1-10). He invokes God’s judgment to restore justice and overcome evil (cf. 10, 14-15). In his words, we hear an echo of age-old questions. How can God tolerate this disparity? How can he let the poor be humiliated without coming to their aid? Why does he allow oppressors to prosper instead of condemning their conduct, especially in the light of the sufferings of the poor?”

“The Psalm was composed at a time of great economic development that, as often happens, also led to serious social imbalances. The inequitable distribution of wealth created a significant number of poor people, whose condition appeared all the more dramatic in comparison with the wealth attained by a privileged few. The Psalmist, observing the situation, paints a picture as realistic as it is true.

“It was a time when arrogant and ungodly people hounded the poor, seeking to take possession even of what little they had, and to reduce them to bondage. The situation is not much different today. The economic crisis has not prevented large groups of people from accumulating fortunes that often appear all the more incongruous when, in the streets of our cities, we daily encounter great numbers of the poor who lack the bare necessities of life and are at times harassed and exploited. The words of Book of Revelation come to mind: ‘You say, I am rich, I have prospered, and I need nothing. You do not realize that you are wretched, pitiable, poor, blind and naked’ (Rev 3:17). The centuries pass, but the condition of rich and poor remains constant, as if history has taught us nothing. The words of the Psalm, then, are not about the past, but about our present, as it stands before God’s judgment.”
